## Hanahan Band Boosters Serv-A-Thon

Its time to start the Hanahan Band Serv-A-Thon! Serv-A-Thon is a way to allow your family and friends to sponsor the Band. It works really well for those who don't live close and are unable to buy band fruit and candy but would like to contribute to your goal of a great band year. You can also use to ask for donations from local businesses that want to help the community. It requires very little effort on your part but can reap great rewards for you and our organization!

You should have received approximately 20 letters to send to you friends, family, and businesses. If you find that you need more, contact Lynda Derrick or Ann Weast.

- Fill out the name and address of family, friends, or business, the student's name and a personal note of appreciation on the enclosed letters.
- Turn in the completed letters in the brown envelope to Dr. Bowles. We will stamp and mail them for you!
- 100% of any donations received in a student's name will be applied to the student's band account, provided his/her name is clearly indicated on the check.

**Its fast and simple! Get started today!**
