A COMMUNITY SERVICE PROJECT

Dear _____,

Our band is conducting a SERV-A-THON to help raise funds for instruments, special clinicians, equipment and technological improvements. Our band is entering what we hope will be a period of growth in numbers, musicality and citizenship. We want you to be part of that growth and I would appreciate your support in sponsoring me as I serve others in our community.

Our band members already serve through participation in many aspects of school activities. We are represented on Student Council, in the National Honor Society, the Beta Club, on the Honor Roll, on athletic teams and in many other organizations. The band participates in community events such as parades and the annual Christmas tree lighting. Some members also play their instruments in area churches adding a great deal to those services. Older, more experienced members are always helping the younger students with their music, marching or just trying to set a good example.

We want to add to our growth as good **community servants** by performing some service projects to benefit others. Among events we have planned is the collection of new socks for distribution at the Crisis Ministries of Charleston, performing for residents of a local nursing home and sending Christmas cards to encourage our brave men and women in uniform who are serving overseas.

I am asking that you please consider sponsoring me for these projects and I promise to work hard to earn your support. The community will benefit from the service we perform, the band will benefit from the funds raised and you will know that you have invested in the music education of young people while giving them the opportunity to serve others. We need everyone "banding" together to benefit others knowing that when we serve we truly become the beneficiaries.

We will GLADLY accept donations at any time but we are trying to complete this solicitation by August 1st. Just complete the form below and enclose your gift in the form of a check or money order for any amount. Please make it payable to the Hanahan Band Boosters and add my name on the memo line. Your investment in our lives makes a big difference and we are very appreciative of your support.

Thanking you in advance,
