Dr. Bowles, Director

Dear Students and Parents,

On behalf of the Hanahan High School Band Boosters Stadium Sign Committee we want to welcome you to the 2008-2009 band season. It's hard to believe another year has passed by so quickly. Due to the expense of the band program at Hanahan High, we have several opportunities for students to raise money for their band accounts. One of the best ways to earn the "big bucks" fast is to sell stadium signs to local businesses. Each sign that a student brings in will add \$200 to their account.

A new businesses supporter initially pays \$500 for the first year of support. Of this amount, \$200 is applied to the student's account, with the remainder covering the cost to fabricate the sign and any necessary repairs/replacement costs during the course of the year. The following year, when the business renews their sign, the cost goes down to just \$300. For the businesses it's a great and economical way to advertise to a large number of prospective customers while supporting our band programs here in Hanahan.

When renewing or selling new signs, students should contact a business in person and obtain a signature on a contact card. This signature signifies that a student is in negotiations with a businesses and other students should not contact that business. The student must mail this contact card to the sign committee to get the business listed as "off limits". Please review the "hands off" list located on the band website frequently as it will be updated when contact cards are received. On June 1, 2008, if the stadium committee does NOT have confirmation that a renewal business has been contacted, signs will be open to all students. Students who sell signs are expected to work on Sign Hanging Day.

Enclosed, please find a "new sign" form and list of those businesses who have already purchased a sign. If you desire, more forms can be downloaded at the Hanahan Band website, ([www.hanahanbands.org](http://www.hanahanbands.org)) which will be updated often. **The absolute deadline for this fundraiser is June 30, 2008 and will not be extended.** Should you have any questions, please don't hesitate to call Lynda Derrick ([lderrick32@comcast.net](mailto:lderrick32@comcast.net)) or Steve Richards ([srichards38@comcast.net](mailto:srichards38@comcast.net)). Thanks for your time, energy and support of the band programs at Hanahan High School.

Musically yours,  
Hanahan Band Stadium Sign Committee
